

Becoming a good and responsible indivi dual employer

Good Boss Support Network is a support group for individual employers (IEs) or the people who represent them, across the UK . It is for individuals who use their Social Care Personal Budgets/direct payments (DPs) and/or Personal Health Budgets (PHBs) to employ personal assistants (PAs) to deliver the care and support they need to help them in all areas of independent living. Here, Sebastian Lynn, Admin Assistant, share s his experience of being involved in peer support.
